

Registered Training Provider – National Accreditation Council of Guyana (NAC)  
 Affiliated with the American Medical Technologists  
 Empowering Allied Health Professionals Through Quality Training and Excellence

### Information for Prospective Students – January 2026 Intake

QualiTEST Incorporated invites applications for our upcoming Allied Health Training Programs beginning in January 2026. Our programs are designed to prepare students for meaningful careers in healthcare through high-quality academic instruction, hands-on practical training, and national certification.

### Entry Requirements

To be eligible for registration, applicants must possess a minimum of three (3) or four (4) Caribbean Examinations Council (CXC) subjects, as outlined below:

Program	Minimum CXC Subjects Required	Mandatory Subjects
Phlebotomy – 6 months	3 CXCs	English, Mathematics, Science
Patient Care Technician – 8 months	3 CXCs	English, Mathematics, Science
Medical Assistant – 1 year	4 CXCs	English, Mathematics, Science
Medical Laboratory Assistant – 1 year	4 CXCs	English, Mathematics, Science

**Note:** Individuals currently working in healthcare may be considered for admission based on relevant experience, even if they do not meet the full academic requirements.

### Important Dates

- Orientation: Mid-November 2025
- Program Commencement: January 2026

Orientation is mandatory before registration and gives prospective students an opportunity to:

- Learn about each program and its career pathways

  
390 Ganges Street  
Prashad Nagar,  
Georgetown, Guyana

- Meet instructors and staff
- Understand the registration process, tuition, and blended learning format

### **Learning Format**

Our programs are delivered through a blended learning model, combining:

- Online classes via our interactive e-learning platform for theoretical components
- In-person practical training at our clinical classroom and laboratory
- Externship/clinical rotation at partnering hospitals and health institutions nationwide

This approach ensures flexibility, hands-on competence, and real-world experience — essential for success in today's healthcare environment.

### **Why Choose QualiTEST?**

- Registered to national standards and affiliated internationally with AMT
- Highly qualified instructors and mentors
- Practical, competency-based training
- Job placement and externship partnerships across Guyana
- Supportive learning environment fostering quality, professionalism, and confidence
